

THE ART OF THE VINE

Established in 1996, Darcie Kent Vineyards produces exquisite Single Vineyard Designated Wines. The vineyards provide Darcie not only with the grapes but with an abundance of artistic inspiration, which Darcie uses to illustrate her own labels.

Madden Ranch

Hugging the wind-swept hillsides of the Altamont Pass, the vineyard tended by Virginia and John Madden (yes, that John Madden) is so steep that water runs off quickly and the vines struggle to survive. This struggle pays off splendidly and the resulting grapes are both complex and intensely flavored. The topography of the land also allows for multiple microclimates, allowing the Maddens to experiment with various sustainable growing practices.

2007 Cabernet Sauvignon

This is a bold Cabernet with cherry currant, black pepper, notes of cedar and oak. The flavors are rich and packed with dense tannins that loosen up over time. The oak influence has notes of cocoa and chocolate flavors.
